Immunization Request Letter to Parents of Students in PreK-12

Dear Parent/Guardian

All students entering or attending school in NYS, including remote school attendance, must be immunized. The age at which vaccines (shots) are given **must match the NYSDOH Immunization Requirements for School Entrance/ Attendance Chart.** Please be aware if we do not receive the requested documentation by the date set by the school, Public Health Law requires the school district to exclude you child from attendance at MDQ Academy School.

Schools can accept the following immunization records as proof of immunization:

- An immunization record from your health care provider or health department.
- An official copy of the immunization record sent directly from your child's previous school with the dates given.
- A NYSIIS/NYCIR Immunization Registry record.
- A blood test (titer) lab report that proves immunity to Measles, Mumps, Rubella, Varicella, Hepatitis B.
- A note from our health care provider with the date your child had Chicken Pox (varicella). Please return your child's immunization record to the School Health Office.

Immunizations are also available through your local county health department.
